

Let's Make a Match! A Memory Game

Directions: Print this page on heavy paper, card stock, or 8.5" x 11" scrapbook paper that is printed only on one side. For added longevity, you may want to glue the boxes to cardboard. Cut along the dotted lines to cut out each box.

Rules for one player: Mix up the tiles and spread them out face down. Lift up two cards at a time and see if they match. If they do, leave them face up. If they don't, turn them both over and try again. The goal is to turn over all the cards.

Rules for two players: Mix up the tiles and spread them out face down. Lift up two cards at a time and see if they match. If they do, leave them face up and take another turn. If they don't, turn them both over and the other player will take a turn. Whoever makes the most matches wins.
